

PROJECT 9 - TOP

Size: 36

Materials: Fixação Círculo yarn, 3 balls color brown (7382); 1 aluminum crochet hook # 2 (1.75 mm).

Stitches: chain (ch), slipstitch (slst), and double crochet (dc).

Instructions: the top is made in a single piece. Using yarn color purple, made a 61 cm- chain cord and work following diagram 1. When you have 8 cm, change to variegated color. When 19 cm from beginning, change to color pink. When you have 28 cm cast off. Now using 5 strands of each color, make a twisted cord with 160 cm and pass it upward through the straps to tie in the back as shown in the assemble instructions.

Gauge: a 5 x 5 cm square (made with a crochet hook # 2) = 11 stitches x 6 rows in double crochet.

This creative top has as a special touch the twisted cord that closes the piece in the front and is tied in the back.
